INSIDE A BARELY LEGAL GIRL

Ohhhhh, my head! It's me, Lindsey, I think. You guys, I started celebrating BARELY LEGAL's 22nd anniversary way too early. No, I haven't been drinking! I've been poring over our back issues all day, starting with our very first issue. I meant to just look at a couple, just to get some ideas for this editorial—but then I couldn't stop!

Did you know that every single issue since 1993 has been filled to the brim with adorable girls? I just kept flipping and flipping and, the next thing I knew, 14 hours had passed. My eyeballs are going to fall out! I can barely see how cute the girls in *this* issue are!

Kidding! I can totally see, and you will, too: They are cute. *Super* cute. Maybe even the cutest girls ever! See for yourself, and let me know!

Meanwhile, I'm going to take a couple aspirin so I can keep looking at magazines. I might need a couple wrist braces, too. :)

xxx Lindsey

JENNA SATIVA

taste treat

Hello, men! Stacy the intern here. I first saw American/Brazilian/Cuban cutie Jenna in *Hustler* back in June, and I'm still drooling. I hope I can keep my tongue to myself!

Hey, Jenna! Did you like posing nude?

Yes, it feels very natural to me. It just makes me feel good.

What is your best physical feature?

My mouth because it's so versatile and I get to do a lot with it.

Do you ever get naked in public?

Yes, I am a total nudist and love the feeling of being free!

Do you always wear panties?

Only when I wear pants or shorts. Under a dress or skirt, never!

How often do you masturbate?

I masturbate daily.

What turns you on?

Making out and licking and biting.

What turns you off?

If they go straight for my pussy with no foreplay, I love being teased.

What kind of guys do you like?

They have to be manly yet clean.

What kind of women do you like?

Women who are curvy, petite, and are really into girls.

Do you like oral sex?

I have an oral fixation!

Are you a spitter or a swallower?

I love to spit on it and eat it, then swallow!

What's your favorite position?

69.

How do you like to be fucked?

Doggy-style.

Do you like anal sex?

I like a couple fingers or small toys.

What's the best way for someone to make you come?

By eating my pussy, sucking on my clit, and fingering my pussy hard.

What's the absolute best sex you've ever had?

It was in a kitchen, and we licked caramel and Nutella off of each other. It was very tasty!

What is your ultimate goal in life?

I just love posing nude. I hope I can continue to do it for as long as I live! ★

MAY 2010 PANTY CONTEST WINNERS!

Just want to say, you guys in the contest make our job really hard—'cause your entry letters are all so awesome! T.M. and S.C., this month yours were just a little extra awesome. We hope you enjoy Marina and Kaylee's undies!

MARINA

My dear, dear, dear, dearest Marina,

I love all women of all colors, nationalities, tall, short, big boobs, small boobs, but I particularly LOVE foreign women with an accent, and broken English. I would love to have a conversation with you. I know I could close my eyes and you would turn me on just talking to me.

I never wanted to win anyone else's panties as much as I would like to win yours. I have always loved Russian women, and you represent them perfectly. If you would like to become a U.S. citizen, I could and would make that happen, and I would leave everything here to go back to Russia with you. You are my absolute dream woman!

In the U.S., a marina is where you dock a boat. If your sweet pussy was a marina and my tongue was a boat, I couldn't think of anything I would rather do than dock my boat in your

marina. It's my favorite thing to do to a woman, and I would do it as long as you wanted.

Your pictures were incredible, but that's not hard to believe considering the subject matter is perfect in every way. I particularly liked the first couple of pictures where you were still dressed. A woman doesn't have to be naked to be sexy. I love the tease and would have loved to see more shots with you in transition from dressed to undressed.

I cannot wait to savor the aroma of your sweet "marina." I would die a happy man if I only got to spend a day with you.

From America with lust,

T.M.

Pennsylvania

Dear Miss Tease Kaylee,

As I'm writing this, I have just come off of a hard masturbating session while looking solely at your gorgeous pictures. The way you wear your glasses in certain pictures is so damn sexy, especially the picture with you wearing them and showing me your beautiful butthole and pussy. The things I'd do if you were really showing me in person. ;)

Since you're not sure about your best physical feature, may I please be the one to point it out? It would have to be your eyes, especially the way they work their magic from behind your glasses. I'd get so lost looking deep into your eyes. They'd be the first thing I'd wanna see when I wake up and the last thing when I go to sleep. Also, I do agree with Stacy the intern. I absolutely love your boobs. Sure, they may be small, but if I was your man I'd find many ways to make sure they got the love and attention they deserve, as well as the rest of your beautiful body.

KAYLEE

Kaylee, I would love to have your panties for two reasons. First, because I would love to be the winner of a young woman's personal clothing who happens to live almost an hour from where I live. Second, I absolutely love the style of panties that you're giving away. They look perfect on you.

What do I plan to do with them, you ask? Well, first and foremost, I'm gonna admire them, and then give them a good long sniff in certain places.) Then I will frame them, probably with the page that has three pictures of you wearing them.

Please choose me to be the winner of this once-in-a-lifetime autographed pair of your panties. You can trust that they'll be in good hands with me.

Love, your fellow New Mexican,
S.C.

Dear BARELY LEGAL,

I was reading the May 2015 issue, featuring Summer Carter, Marina Visconti, and Jessica. They are so beautiful in my book, from head to toe. I would like to have sex with all three of them, including while wearing one-piece bathing suits. I want to see more of Summer Carter, Marina Visconti, and Jessica in a future issue of BARELY LEGAL. I love you three

M.P.

TellVisconti

M.P., Marina and Jessica won't be coming back, but look for Summer next month, in our September issue! I should warn some of you guys: Summer has shaved her bush. :(Of course, that might make other guys happy... —Undsey

Dear Lacey (April 2015),

You are so SEXY!! I could look into those sexy eyes all day. I would love to kiss and lick every inch of your sexy body. I want to eat your pussy until you come and then fuck your sweet pussy. I would love to kiss your thighs. I would love to get in a bubble bath with you and share some wine.

I know that some men prefer a bush. I'm not one of them. I love your sexy and sweet bald pussy.

M.W.

by internet

Thanks, M.W.! I love my bald pussy, too—especially during bath time it feels so smooth and slick. Mmm... —Lacey

Dear Lul,

You're sweet just the way you are, but would you consider being clear-shaven the next time you pose in BL7? I hope you do soon. Just for one pictorial, then you can let it grow back out. If not—

you're still smoking hot. Also, don't ever get breast surgery—your breasts are gorgeous just like they are. 30 AA—fantastic.

M.A.

Massachusetts

M.A., you are so sweet, I almost want to shave off my bush just for you. But I love it too much! No razor will touch my cooch, and no surgeon will touch my boobs—unless he just wants to squeeze them.) —Lul

Hi, you guys,

Your girls are so cute and hot. But please tell them not to shave their pussies. Me and my friends love seeing hairy, meaty pussy. All natural is the way to go. We need more hairy pussy out there. Fuck the bald bullshit. I need more hairy pussy on my shop wall.

D.V.

Washington

D.V., we love all of our readers and want to make them happy, which means also making the bald-pussy fans happy. So we can't ask girls not to shave—but we can try to do something special for our readers who love bush. See below, and start making space on your shop wall! —Undsey

Attention, furry-pussy fans! We've hit the most magical number of all. The 10th awe-inspiring edition of *BEST of BARELY LEGAL Presents. All Bush* goes on sale July 14!

If you can't find the latest *All Bush* at your local newsstand—don't worry. You can order it online at HustlerNewsstand.com, or you can send a check or money order for \$15 to: LFP Publishing, 8484 Wilshire Blvd., Ste. 900, Beverly Hills, CA 90211 Attention: H. Nguyen. MINDY

**back in your
hands again**

Hey, it's Lindsey. The last time "sex pervert" Mindy was here (February 2015), her main goal in life was to be in BARELY LEGAL again someday. Mission already accomplished!

Welcome back, Mindy! What's new?

I graduated from high school—yay!

Are you going to get a job, or go to college?

I'm going to be a video game designer.

That seems like a job for nerdy boys.

know! I'm going to be surrounded by pervy guys with big brains. Yum!

Who's your dream pervy guy?

I have a little crush on Louis C.K. I don't know if he's pervy, but in my fantasies he is.

Is spanking still your biggest turn-on?

I still love it, but I have a new favorite thing I like to do—watch a guy jerk off. It's so hot!

What do you like about it?

I feel like I'm getting a secret peek into their life. Like, that's what they do when I'm not there.

PHOTOGRAPHY BY JOHN EMSLIE

Do you play with yourself at the same time?

No, I just watch them squeezing and pulling on their cock while my pussy gets wetter and wetter

And then the guy fucks you?

No, he comes on me—on my tummy, on my titties. Sometimes even on my feet!

So then what do you do to get off?

Nothing! Sometimes it's fun to get all worked up and not come. Then when I have sex later it's like, Finally! And I explode

What makes you come harder, anal sex or regular sex?

Anal—but I come in my pussy. It's like double the fun

Speaking of, have you ever been with two guys at once?

No, but my big goal now is to have two guys jerking off for me at the same time.

Two? You probably have hundreds of guys jerking off for you right now.

Oh, I wish I could watch them. I'll just have to use my imagination... ★

PHOTOGRAPHY BY STEVEN ANDRES

Hey, everybody! It's Abby the Intern. Brand-new porn starlet Adrian is "down for anything"—and about to blow up, up, UP

Hey, Adrian! What's new?

I just shot my first-ever gang-bang!

How was it?

Exhausting but *exciting*.

That's kind of a big step for someone who practically just started in the business.

I mean business. No point in going slow.

What do you like best about porn?

Everything! I love the porn life. But I guess if I have to pick one thing, it's being able to pay my own bills and live by my own rules. I don't think a lot of girls my age can say that.

Do you ever watch your own scenes?

Yes. I love watching myself suck dick.

Are you good at it?

I've got talent. :)

What do you like best about modeling?

I like showing off my body. I work hard to get it to look this way.

What do you think is your best feature?

I would say my small waist. It makes my big booty look even bigger.)

What's your favorite way to fuck?

I love rough sex. I like to challenge my body—see how much it can take.

Do you like girls?

Yes! Being bi makes life complete. Who doesn't love fucking a pretty pussy?

What kind of girls do you like?

Other porn girls.

What kind of guys?

I like boys with tattoos.

Have you done anal yet?

I like getting my butt munched—we'll see where I go from there.

So, you don't rule it out.

I don't rule anything out.

What is your ultimate goal?

To make it to the top—and I won't be needing a ladder ★

"Dancing is my biggest passion," declares professional go-go artist **Sara Fina** from Fresno, California. "It makes me happier than anything in the universe." The bi-curious 21-year-old is also passionate about sex—specifically, "leather, being spanked, a big cock slapped in my face, doggy-style, role-playing, dirty talk, anything kinky and intense, anal, and having a guy spray my face with as much cum as possible." If only Sara Fina would come out of her shell in her free time, this fiery 5-3 "nympho" enjoys eating, traveling, "turning guys on," and "masturbating all day long." And her goal is to join the Mile-High Club one day. Oh, and she has the cutest name ever for her pussy: "heaven on earth." Sara Fina, if we're good, can we go to heaven? —*photos by friend*

Everything is bigger in Texas, including Princess's delicious double Ds. "I really love my boobs," confesses the Waco coed. Things Princess does *not* love: cheerleaders ("too uppity uppity") and clothes. This 22-year-old tornado says she'll try anything "once, twice, three times," including stripping. "It was kinda cool to be working and naked at the same time." Princess spends most of her free hours having sex—she doesn't even have time to watch TV!—and her favorite position is anal: "Everything about it is better than the usual way." The Lonestar lovely says she is "very happy all the time," and she knows how to make others happy, too: "I want to ride on an elevator while I'm naked and surprise people getting on." **MY MOST
LIFE-CHANGING
SEX**

**A BARELY LEGAL
CONFESSION**

BY NIKKI BROCKS

Hey! Nikki Brooks here. I have a true confession for you guys from when I was in high school, before I was a professional porn star. (I was just an amateur one back then LOL!)

The setting: senior year I was boning lots of guys, because of course I was—I was 18, blond, hot, and had a boy-gasbord at my fingertips. My best friend Allie, on the other hand, thought you should “make love” with just one person at a time, someone you had actual feelings for, which to me was crazy and a waste of a tight cooch.

But Allie had always been there for me, so I was there for her when her stupid boyfriend Tyler dumped her. I went over to her house with a Halloween-size bag of Snickers and a bottle of Frangelico that my mom kept hidden behind her cookbooks. By the time we had burned the eyes out of all known photos of Tyler, we were completely fucked up. Allie's dark hair hung in messy wisps around her flushed cheeks.

“The worst part,” she skurred, “is in four months of having sex, like, every day, I don't think I ever had an orgasm.”

“You don't think?” I shrieked. “You mean you're not even sure?”

Allie looked away, ashamed. I shook my head and stumbled over to her dresser. Buried under a pile of gym socks was the vibrator I had given her for her 18th birthday. Sure enough, it looked like it had never been used.

“You can't tell anybody about this,” I said sternly, pulling her pj bottoms down and clicking the toy on. Allie lay back nervously, and I aimed the buzzing tip between her pussy lips

“Too much!” she squealed, rocking her hips. “It's too much!”

I had barely even grazed her clit. Tyler must have been the laziest fuck ever if he couldn't make Allie come.

My heart ached for my best friend. I had to help her—and there was only one way to do it.

I took a deep breath and pressed my tongue against her clit. Allie moaned, and her tensed-up thighs relaxed. Gently as I could, I licked her swollen button, easing the vibrator in and out of her wet hole at the same time.

Her moans grew louder and more regular. Inspired, I took her clitty between my teeth and sucked hard. Allie bucked wildly, grabbing fistfuls of my hair to keep my face buried in her cooch. I could barely keep the vibrator in place as hot pussy juice oozed out around it and onto my fingers. Finally Allie made a sound like air being let out of a balloon and collapsed.

It was intense, but any good bud would have done it, I thought. No big deal. Then Allie raised her head and beamed at me. I realized that no boy had ever looked at me that way after a blowjob, even though I was very good at blowjobs. Heart pounding, I kissed Allie, shoving my tongue into her mouth so she could taste herself. We ate each other's pussies all night long in the most amazing 89.

That first lezzie experience changed my life—which you know if you've watched my girl-girl scenes. But I never would have tried it if not for my best friend. If she's reading this...thank you, Allie! Love u 4-ever •

SAKURA

Hey, it's *Lindsay Sakura* is the size of a doll, but she has a **BIG** personality.

About me: I'm a senior in high school—woo-hoo! I'm a varsity cheerleader, I'm on the gymnastics team, and I was just elected class treasurer. It's going to be the best year ever!

Reason for posing: To show people that, just because I'm a cheerleader, that doesn't mean I'm a good-goody.

Best physical feature: My eyes. They're a pretty color.

Favorite hobbies: Cheerleading and gymnastics.

Proudest achievement: Being the top of the [cheerleading] pyramid. It's not just 'cause I'm light—I have the best balance.

Favorite thing to wear to bed: When it's cold I wear my mom's old high school cheer sweater. It brings me good luck.

Biggest turn-on: Kissing for a long time.

Biggest turn-off: Burn-outs!

Favorite way to masturbate: I don't know! I think of that as a boy thing.

To bi or not to bi: Not. I know it's kind of cool to be bi, but I just really like boys!

Favorite sexual activity: Having sex!

Favorite position: Me on top. I don't want to be crushed to death!

Split or swallow: Swallow. Boys like it.

Favorite place for a guy to come: On my chest or tummy.

Best way to come: If you lick me down there. It feels so amazing I can't even believe it.

Dream date: My secret crush takes me to senior prom, and afterward we drive to the lake and spend the night on a blanket under the stars. Yes, he has a girlfriend, but prom is months and months away. Anything could happen!

Future goal: To win Most School Spirited in the senior poll. Wish me luck!

CHLOE AMOUR & JESSA RHODES

two hot

Abbey the intern here. I'm talking to former *Hustler* models Chloe (Holiday 2013) and Jessa (December 2013) and trying very hard to be professional

I apologize ahead of time if I pass out.

Jessa: LOL! Don't act like you don't interview hot girls every day. But never two at once!

Chloe: We'll be gentle. Go ahead, start interviewing.

Okay, Chloe, where do you get your exotic looks?

Chloe: My background is Cherokee, Mexican, and Spanish. Wow, hot!

Jessa: My background is cool—Norwegian. But we're very kinky. It's the only way to stay warm at night!

What turns you on the most?

Jessa: I love the way girls' naked bodies look together. I don't know which turns me on more, fooling around with a girl or watching two girls fool around.

Chloe: Well, I know which turns me on more—fooling around with a girl! I can't just watch.

You don't like watching porn?

Chloe: Not alone. It's too frustrating.

Jessa: I love watching porn alone. It's my favorite way to masturbate.

Chloe: I use my imagination. I'll be imagining you tonight, Abby. :)

Okay, now you're trying to make me pass out. Here's a reader question: If you had a penis, what would you do to a girl?

Chloe: I don't need a penis—I have my tongue!

But if you did.

Chloe: I would want a really big one so I could ram it in her pussy and make her squeal.

Jessa: I would want a medium one so I could fuck her in the ass.

Chloe: You can't fuck a girl in the ass with a big cock?

Jessa: You can, but it's kind of overkill.

Speaking of cocks, you like them, right?

Chloe: Of course! I can't live on an all-pussy diet.

Jessa: Me neither. Being bi is the hottest, 'cause you have your choice of everybody.

Chloe: Including magazine interns. :)

Jessa: I'd watch that.

Chloe: Abby? Are you okay? *

MIA

fashion fur-ward

Hey, it's Lindsey. For some of you guys, Mia will *never* go out of style.

Wow, Mia! Hairy coochie and butthole *and* pits?

I know, it's terrible, but I'm scared of razors.

Really?

LOL! No, I love my body hair! I think it's more beautiful than the hair on my head.

Which is very beautiful, as are you. But you're not a professional model.

No, I manage a clothing boutique. I love clothes.

And here you are taking them off.

Posing naked is fun! I love picturing thousands of guys looking at every inch of my body.

Do guys ever give you a hard time about your body hair?

Some have, yes. It turns me out, but I know it's a matter of taste.

Well, it's a taste that a lot of our readers happen to have.

That's awesome! I hope they write to me.

Have you been with guys who are into your hair?

Yes, way into. I love the look on their faces when they see me naked for the first time. It turns me on.

What else turns you on?

When a guy licks my pussy and butthole and doesn't mind a few stray hairs in his mouth.

What makes you come the hardest?

Just keep licking.

How can a guy meet you?

Come to my store. We can have wild sex in a dressing room.

Shhh—don't tell anyone!

What is your ultimate goal?

I want to be a famous clothes designer and travel the world.

And while I'm at it, I might bring fur back into fashion. J *

What's your favorite method?

All of them.

Tall, skinny, toned, young.

What kind of girls do you like?

Same.

MARY JANE

after-school snack

 was supposed to graduate last June," explains 18-year-old MaryJane, "but I flunked math and had to go to summer school. The only thing that makes sitting in that sweat box bearable is knowing I can come home, make a bowl of popcorn, and stick *Thelma and Louise* in the VCR. I hate those two feminist twats, but Brad Pitt is a total hottie in that movie."

MaryJane crunches a handful of popcorn and rubs her buttery cunt. "I taste my fingers and imagine Brad is kissing me after licking my conch," MaryJane giggles. "My friends can't understand why a big Brad fan like me never sees his movies till they come out on video." +
